

- Handicap System/Report: PB Lady Niners custom handicap system has been adopted, and baseline report (as of 12/1/2020) posted on-line and on the bulletin board. This report will be updated twice per month, on or about the 1<sup>st</sup> and 15<sup>th</sup>.
  - Note that we have a process allowing for rapid handicap assignment for new members and that it will adjust as those members play more rounds.
  - Rows highlighted for each player represent the tee box designation (Red, Green or Ladies Combo) typically identified by that player when requesting a tee time each week.
    - Your handicap may be different for the front nine than the back nine, as noted on the report. Please verify before filling out your scorecard.
  - Stroke control numbers are also posted. As your handicap changes, so might the control number. Please verify before filling out your scorecard.
  - Our custom system may vary slightly from your USGA/AGA (GHIN) handicap, for those of you choosing to maintain the latter.
- Tee Time Requests: In order to be added to the weekly play roster, each player must e-mail a request, by 5:00 Monday of the previous week, to pbladyniners@yahoo.com with the following information: First and last name, recreation card number, tee (Red, Green or Ladies Combo) selection and tee time designation of “AM” or “PM”.
  - Please check the on-line roster to ensure the information pertaining to you is correct. If it is not, send an e-mail to pbladyniners@yahoo.com as soon as possible.
- Score Cards: Please refer to the published roster and handicap report when preparing your scorecards, in advance of your round. At least two complete cards should be maintained during the round, for corroboration.
  - All players on the card must sign it. All are responsible for ensuring all elements are complete and correct. We have a club rule calling for players submitting an incomplete or incorrect card to forfeit their sweeps eligibility for that day. This affects all players on the card. We will start enforcing that January 1, 2020.
- Flight Designations: We are reducing the number of flights from 6 (1-5 and NH) to 4. This better represents our membership.
  - Flight 1, Handicaps 1-18
  - Flight 2, Handicaps 19-23
  - Flight 3, Handicaps 24+
  - Flight 4, No Handicap (for new members, putts, until handicap established)
